

## **Lanai Planning Commission Meeting - DEA for Three Lanai Avenue Houses**

**Wednesday, October 21, 2015**

**Lanai Senior Center**

**5:30 p.m.**

Please come to the Lanai Planning Commission (LPC) meeting on Wednesday, October 21, 2015 at 5:30 p.m. at the Lanai Senior Center. The LPC will submit any comments they have on the Draft Environmental Assessment (DEA) for the Three Lanai Avenue Houses. The Three Lanai Avenue Houses were demolished in 2014 and this DEA is the document that describes any environmental impacts for the proposed rebuilding of the three houses.

This DEA is a required part of amending the 1998 Lanai Community Plan. The LPC will not be voting on the rezoning proposed from Business – Country Town to Residential. We welcome everyone attending to show support for this project. For more information, please call (808) 639-8442.
