Pathway Programs

- LHES Foundation works to give students experiences linking to future career pathways
- The learning can be an exploration into their future

'Ohana Welless Festival

LHES students partnered with JABSOM students and various Lāna'i healthcare agencies, offering educational information to the community

Teen Health Camp

- All high school students participated in hands-on learning w/the John A. Burns School of Medicine (JABSOM) medical students during the school day
- Learning opportunities allowed students to explore their interest in the medical field

JABSOM Mentorship

- LHES students toured the JABSOM at UH Mānoa
- Students participated in hand-on learning activities at the school

Food Growing Project

- Mrs. Montgomery's 5th graders, Mrs. Tabucbuc's 4th graders, & Mrs. Bolo's King's Chapel School learned about growing plants with Ben Ostrander and Kari Bogner
- Classes will give out plants at the Kupulau Festival on April 29

Other Programs Currently Supported

- Kula Kaiapuni o Lāna'i
- Hawaiian 101 & 102
